

Joining NAMI Anchorage allows us to continue serving individuals with mental illness, their families, and the community by providing classes, support groups, and other programs at no cost to participants. Your membership fee for the year goes a long way to help support these programs. With one payment, you become a NAMI member at the local, state, and national level. We have three membership rates depending on what makes the most sense for you, each with the same privileges. There are two ways to join:

- 1.) Go to [www.nami.org](http://www.nami.org), click Join, and click Become a Member.
- 2.) Complete and return this form:
